

PANEL DISCUSSION NUCLEAR WEAPONS BAN TREATY NEGOTIATIONS

Friday, 30 June 2017, 1.15 – 2.30 pm, CR B

IS THE DRAFT UP TO THE TASK? ETHICAL, HUMANITARIAN AND FAITH-BASED ASSESSMENTS

Pax Christi International and the Maryknoll Office for Global Concerns kindly invite you to a panel discussion aimed at assessing and evaluating the nuclear weapons ban treaty text regarding its human-centeredness.

What are the key moral and ethical aspects of the draft, especially its preamble, prohibitions and core principles? How do these values inform and affect the treaty's "human-centered" provisions, those that have most to do with human security and the integrity of creation? If the treaty is not yet up its tasks, how can it be strengthened?
