

# Kardinaal Alfrink Peace Fund 2017

## Report activities 2017

1. On 29 October 2017 in Rome, the annual Peace Prize was given to the Mexican organisation ZODEVITE, a movement of the indigenous Zoque community from southern Mexico, which works for the protection of the environment and human rights in the Chiapas region. The movement is part of the larger MOVEDITE, a platform of indigenous peoples who campaigned nonviolently in recent years to put an end to fracking, oil extraction and mining in southern Mexico. ZODEVITE organises nonviolent protests against the extraction of hydrocarbons and mining projects in the municipality of Tecpatán, together with Pax Christi member organisations FRAYBA (Centro de Derechos Humanos Fray Bartolomé de las Casas) and SIPAZ (Servicio Internacional para la Paz, an international human rights organisation that monitors the region).
2. For the peace prize 2018, it was agreed to propose to nominate the No Boundaries Coalition ([www.noboundariescoalition.com](http://www.noboundariescoalition.com)) which is a resident-led advocacy organization building a unified and empowered Central West Baltimore (US) across the boundaries of race, class and neighborhood.
3. It was agreed to close the Triodos account.
4. It was agreed to further build relationship with individuals and foundations in order to support the fundraising efforts of Pax Christi International to diversify its income and in particular the possibilities to receive individual donations.
